Testimonials

This was our first time back in Toronto in several years and we were amazed to find the changes in your hotel. In the past we stayed there only because of the location, but now we find the upgrades amazing. Just do something about your hallways and the place will be perfect !

J. Morin & B. Davis, Montreal PQ

PRIDE was a huge success again this year. Your wedding brochure is appreciated and dealing with Heather was great. You'll see us again in October for our long awaited wedding.

G. Andresson & R. Bennett Watkins Glen, NY

As a delegate to the ALA convention in Toronto this weekend I am overwhelmed with the service and extras provided by your hotel. The "Mounties" that greeted us on our arrival, the incredible friendliness of your staff and all the little extras you provided made this an extremely memorable occasion. Thank you for your attention to detail.

E. Johnson, Tennessee

We loved the "Mounties" in the Lobby of your hotel for our convention. It was a special treat to be able to have our pictures taken with them. Staff was great and the daily newsletter was appreciated.

L. Wilson, Chicago

What a pleasant surprise to find all the extras at a fair price! The fruit punch offered at check in, and the special information desk set up for our conference made everything so easy. Thanks again.

B. Keeling, New York

The Beer Cellar is great! We loved the selection of beers and the friendly service. Next time we're in Toronto, we'll be back.

J. Winters, Atlanta Georgia

The buffet breakfast in Windows Restaurant is super - such a selection! ...and the price! What more can I say?

Mr. & Mrs E. Burns, London, ON

During the ALA convention in Toronto I had the privilege of staying at your hotel. The rooms, while not large, were spotlessly clean as well as bright and cheerful. Your housekeeping staff are truly amazing. Nothing was too much for them. Thank you for a wonderful visit to your city.

Ms. D.Jackson, North Carolina

We found our maid very helpful and very pleasant, we were very pleased with the service we received.

Mr. & Mrs. A. Laird, Aberdeen, Scotland

We enjoyed our stay at Days Hotel very much. Thank you.

Mr. P. Wood, London, England

First time we have visited Canada. We found everyone at the hotel very hospitable, nothing too much trouble. Canadians lovely people, loved Toronto, and everywhere we visited. A bargain holiday - would definitely re visit and recommend to others.

Mr. & Mrs. W. Frost Devon, England

This was our first trip to Canada, we have been so pleased with everything about the accommodation and hope to visit again.

Mr. and Mrs. Hickman Lincoln, England

I will highly recommend this hotel for friends and family when they visit Toronto. I'm very pleased with your warm, professional and kind service. Thank you again for returning the items that I had left behind.

Steven Wade Michigan

Great hotel, very friendly staff. Thanks for being there.

Boris Javersek, Dusseldorf, Germany

Thank you, everything was fantastic.

Mr. & Mrs. Smedley, North Somerset, England

Thanks to all at the hotel. The staff keeps the hotel clean and safe for us out of towners visiting Toronto.

Steve Coggon, Sault Ste. Marie, ON

Nice, clean room for a reasonable price.

Mrs. Smith, Peterborough, ON

When I checked into your hotel, I found the guest service agent delightful, energetic and most of all, helpful. With quality staff like this I will always stay at a Days Hotel. You have a customer for life.

Harley Hankinson, Amherst NY

My husband and I have just returned home to England after spending 6 days in Toronto. I am writing to say how pleased we were with our accommodations at the Days Hotel. We were very comfortable in the room with tea and coffee each morning and a little fridge to put milk in. The restaurant is very nice too. After a long day out it was nice to come back to somewhere comfortable and friendly. We will be returning next year.

Sincerely, M. Bertrand Sussex, ENGLAND

This hotel is so greatly improved, I didn't think it was the same place I stayed 3 years ago. New pool, great new bar, fitness room and great staff. You cannot ask for more. As a business traveller, they seem to understand my needs. Thanks for a great stay.

Facts About Toronto:

Located on the north shore of Lake Ontario, Toronto was formed in 1834, when York was renamed Toronto, the Mohawk word for "meeting place." The British settlement of York was founded as the capital of the new province of Upper Canada by Lieutenant Governor John Graves Simcoe in the 1790s and had grown to 10,000 people by the 1830s. Toronto is the capital of the province, now called Ontario, and is the largest city in Canada, with a population of 2.4 million, 4.7 million in the Greater Toronto Area.

The most multicultural city in the world, Toronto is home to more than 80 ethnic groups and more than 100 languages, and is marked by the diversity of distinct neighbourhoods, cultures and communities.

Yonge Street, the longest street in the world, is the main north-south road and divides the city into east and west. Major intersections include: Bloor/Yonge, King/Bay, Yonge/Dundas, Yonge/Eglinton, Yonge/Sheppard, Queen/Spadina, Broadview/Danforth. Main east-west avenues include Eglinton Avenue, Lawrence Avenue, Steeles Avenue and Bloor Street/Danforth Avenue.

Distinct neighbourhoods include:

- Little Italy (west of College/Bathurst),
- Queen Street West (a Soho-style strip east of Spadina Avenue)
- The Entertainment District (bordered by Front and King Streets - University and Spadina Avenues)
- The Gay Village (Church and Wellesley)
- The Fashion District (Spadina and King)
- Greektown on Danforth Avenue
- Little India (Gerrard Street East)
- Chinatown, located on Spadina, from College to Queen Street.

Taxes:

On most purchases, both the provincial sales tax (PST) of 8% and the 6% federal goods and services tax (GST) apply. Hotel rates are subject to a reduced provincial tax rate of 5%, the 6% GST tax and a 3% Destination Management Fund fee. There is no GST on most grocery items, but restaurant meals are taxed both GST and PST. PST is not charged on reading materials. If you are a visitor to Ontario, you may be eligible for tax rebates; rebate forms are available at the airport. For more information, call (613) 991-3346 (for GST); or (800) 668-5810 (for PST).

The minimum legal drinking age in Ontario is 19 years. Bars and restaurants must stop serving alcohol by 2 a.m.

Passports and I.D.:

Entering Canada, U.S. citizens, including children, need proof of U.S. citizenship: either a birth certificate together with photo identification or a passport. U.K. citizens and Australian citizens require a passport and proof of onward passage out of Canada. Visitors from other countries require a passport and may also require a visa. You may also be asked to provide proof of necessary funds for your visit. Illegal drugs and firearms are not allowed into Canada.
